Questionnaire Survey Conducted On Monday 5/1/09

Members of the Campaign group distributed 33 of these questionnaires, of which 22 were returned.

The responses were as follows:

Question	Option A	Option B	Option C	Insufficient Info
Which of the designs best preserves the important historical elements of the building and respectfully incorporates them into any new facilities?	68%	18%	9%	5%
Which of the designs best preserves (or adds to) the original building's functions?	73%	9%	9%	9%
Which of the designs minimises the gap in leisure provision during building work?	18%	9%	14%	45%
Which of the schemes has the highest quality design?	41%	18%	18%	18%
Which of the designs provides the best long term, sustainable solution?	27%	18%	9%	36%
Tick "yes" if you think the Campaign should support one of the schemes in the exhibition. Tick <input type="checkbox"/> no <input type="checkbox"/> to oppose all the schemes.	Yes 27%	No 27%	Abstain 45%	

In addition, 59% of respondents wrote on their surveys that the Sports Hall must be retained and that their support for any of the Options was contingent on this.
